### Campus Challenge is half way construction!

#### Newsletter 5

February 2009

**The first 2 houses children village, 8 more to come**

**Dining hall and kitchen**

### Campus Challenge is halfway construction and on schedule

Look at the pictures: the buildings are coming beautifully! The construction of the Campus started 01.05.08. Three contractors took up the job and we are at schedule.

This means that the outreach work in the villages starts at June and that the first group of children will arrive in July. The official opening will be the end of October 2009.

**Medical Care Center**

**Watertank**

**Guesthouses for volunteers**

**Staff houses**

**Campus Challenge will supply the following:**

- Children's village for 120 disabled orphans and half orphans
- Regional outreach care : health care and education care for the disabled children in 300 villages age 0 - 18
- Medical centre: doctor, children physiotherapy and orthopaedic workshop
- Education centre with hostel for children age 5+, job coach and micro credit

**Help us to give these children a good future**

Donate 50% of a house and give it your name. Your donation will be doubled in the Netherlands. Or help with the equipment: furnish for 10 houses for 120 children, the dining hall and kitchen, the medical care center and the education center. And....visit the children when the Campus is ready And see your contribution has been spent.
